To All;

On behalf of the Southern Maryland Chapter of the American Society of Military Comptrollers (ASMC), I want to thank you for sponsoring the establishment of our chapter.

In sponsoring our chapter, your officers provided advise, organizational expertise and the opportunity to attend your executive board meeting which was invaluable to us in drafting our constitution, by-laws and our petition to National Headquarters. Your offer of seed money also gave us the opportunity to get organized with our checking account, post office box, stationary, postage, etc.

We would like to thank Col. Bob Weidert for attending our kick off luncheon on 20 February 2002 and presenting us with our National Charter and inducting our officers. We were pleased to recognize our other special guests from the Washington Chapter, Ms. Shirley Simpkins, Navy, Vice President, Mr. Keith Hicks, Air Force, Vice President, Ms. Clara Weston, Community Service and Mr. Victor Ackley, Webmaster. We have enclosed two pictures from the luncheon for your Chapter's Newsletter.

Without the support of the Washington Chapter, the establishment of our chapter would not have been such a smooth process. Again, thanks for all your help in establishing the Southern Maryland Chapter.

Respectfully yours,

*Theresa Thomason*
