Dear Ms. Weston:

Carpenter's Shelter would like to thank you for your support with your recent donation of **\$600.00**. Your contribution enables us to continue to be "*more than just a roof*" by providing a safe haven and much needed assistance each year for more than 1,000 homeless and formerly homeless children, women and men in our community.

As Northern Virginia's largest homeless shelter, our goals are to meet the immediate need for shelter and to concentrate on eliminating the roots of hopelessness. Last month we initiated our newest program to stop client recidivism. We partnered with Wesley Housing Development Corporation another nonprofit, to purchase an apartment building. In, February 2003, a working mother and her two-year-old daughter moved into our first transitional housing at the Lynhaven Apartments. Without your help, critical programs and services, like our exciting new transitional housing program, could not exist.

Again, we thank you for your contribution.

In accordance with IRS regulations, no goods or services were exchanged for this gift.

Sincerely,

Frances A. Becker
