Dear Clara:

We would like to sincerely thank ASMC for your generous donation of non perishable food to the Carpenter's Shelter. Christmas is a wonderful time of year full of good will and merriment, but it can be a very difficult time for those without homes or the resources to provide for their families. We greatly appreciate your donation and help in giving our residents a very merry Christmas.

For fifteen years, Carpenter's has relied heavily on groups like yours to provide the shelter with donations during the holiday season and more importantly throughout the rest of the year. It is only through the support of people like you that we are able to provide our clients with basic life necessities.

ASMC's continued support of Carpenter's Shelter helps us to be "more than just a roof," and we look forward to working with you in the future. Thank you again for your generosity to those in need.

Sincerely,

Frances Becker  
Executive Director
