Dear Ms. Del Mar:

On behalf of the family members involved with the Pentagon Memorial Fund, I would like to thank the American Society of Military Comptrollers (ASMC) for its generous contribution of \$10,000 at the 2011 ASMC annual conference. Thank you for honoring the 15 ASMC members who were lost and the 6 ASMC members who were injured at the Pentagon on September 11, 2001. It is only because of organizations like ASMC that we can ensure future generations always remember the sacrifices made on that fateful day.

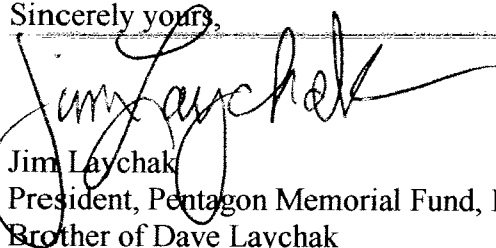

A not-for-profit corporation, "Pentagon Memorial Fund, Inc." was established to raise the funds to both build and maintain the Memorial in perpetuity. Your generous donation will help us ensure that the people who lost their lives on September 11, 2001, will never be forgotten. The Pentagon Memorial Fund, Inc. is a 501 (c) (3) IRS tax exempt organization. We verify that no goods or service were received in consideration of this contribution. The IRS Tax ID number for our organization is 43-2018221.

The Pentagon Memorial park is located on the Pentagon grounds near the site of Flight 77's point of impact. The Memorial provides a beautiful place for collective contemplation, reflection and renewal. Now open to the public, we hope you will take the time to visit this special place of remembrance.

Please visit our website at www.PentagonMemorial.org for more information about the Memorial project. We hope you will forward this link to family and friends who might also find the project of special interest. In the interim, if you have any questions, please feel free to contact Andrew Ammerman or me at 301.740.3388.

Once again, thank you very much for your generous support.

Sincerely yours,

Jim Laychak
President, Pentagon Memorial Fund, Inc.

Thank you so much for your support. It means a lot to me personally as Dave was a member of this organization. Thank you. Jim

Mr. James R. Yacobi
President
American Society of Military Comptrollers
P.O. Box 16237

Dear Mr. Yacobi:

There are not enough words to express my thanks and gratitude for the generous donation that the ASMC and its members gave to the Pentagon Memorial Fund, Inc. I was truly humbled by being able to participate in the presentation of your donation to the Fund.

As a nation, we will shortly mark the ten year anniversary of that fateful day. With all the turmoil that is taking place in the world, I can honestly say how proud I am of the Society for honoring the fifteen ASMC who perished at the Pentagon and for remembering the others who died and were injured that day.

As a family member, were it not for the support of organizations like ASMC and its members, through their prayers, kind words, and support, my children and I would not be in the place we are today: able to move on with our lives. This donation helps the Fund greatly. Again, I must say, were it not for ASMC and others, the Memorial would not be the reality that it is: completed and open to all to remember, renew and reflect.

With great appreciation and gratitude,

Thomas Heidenberger
Board Member
